

Whittley CR 2080 OB

Make: Whittley

Model: Cruiser 2080 OB

Boat Type: Cruiser

DESCRIPTION: ### CUSTOM ORDER NOW - BASE PACKAGES STARTING FROM \$65,062 (EX BRISBANE SHOWROOM)
**This boat is not in stock - it is to show what can be ordered, for details of currently stocked boats please check out our other listings or contact us today. ** The CR 2080 continues the legacy of compact live-aboard boating established by the original bondwood Whittleys of the 1950s. It's also been exclusively powered by Volvo Penta sterndrives...until now. The CR 2080 is a soft riding flexible platform that adapts to a range of applications and propulsion options. We knew it would work, so we pushed the button and re-engineered the transom for today's modern high tech outboards. Ideally powered by 4-stroke or Direct Injection two-strokes outboards in the 100 - 150HP range, the CR 2080 OB (outboard) delivers reduced weight and also greater internal cockpit space thanks to the removal of the sterndrive engine box. If the optional platform is on your family's agenda, then the sterndrive variant should be considered - buyer's choice. The CR 2080 OB establishes a new benchmark in family boating and lowers the price of admission for those wanting to experience Whittley's premium offerings. Bimini, chemical toilet with dedicated storage, lined cabin and more are included as standard. Each CR 2080 OB is perched on a custom-fitted Mackay single axle braked trailer with spare wheel, spare wheel cover and salt-water-resistant ratchet tie downs. SPECIFICATIONS:Max People: 6Hull Length: 6.20 m (Overall)Length On Trailer: 6.90 m *Height On Trailer: 2.45 m (Windscreen) *Width On Trailer: 2.35 mBeam: 2.20 mDeadrise: 19 DegreeFuel Capacity: 115 LWater Capacity: N/ADry Towing Weight: 1,200kg (Approx.) **Std Engine: Recommended 115 Four StrokeMax HP: 150 HP (O/B)Trailer: OSMLKR-50-13-M (Single Axle) CR 2080 OB STANDARD FEATURES:Convenience & Safety:CAD Designed Whittley HullFactory Supplied Owners ManualAnchor Light
