

ENDLESS ADVENTURE

WHY STACER

Established in 1971 Stacer has maintained an industry wide reputation for quality, strength and dependability.

HISTORY - AUSTRALIAN MADE

Stacer is proudly Australian designed and built and after 45 years in the Australian marine industry, Stacer has become an instrumental part of the boating scene with an established reputation for inherent reliability and longevity.

BUILT BY THE BEST, STACER GOES THE DISTANCE.

Stacer proudly celebrates a rich history of Australian boat building, first established in Victoria in 1971, and now hand-crafted in its Gold Coast factory. Delivering endless memories to hundreds of lucky Australians each year, the brand is a national marine icon. Every Stacer boat is specially crafted by an expert team of over 350 boat builders, to achieve a refined, high-quality and dependable product.

Designed using revolutionary manufacturing processes including aluminium pressing and plasma cutting to carefully mold each marine-grade aluminium sheet, Stacer delivers cutting-edge hull designs to achieve a strong product that is impressively smooth riding. Priding themselves in attention to detail and delivery of a premium product for every customer, Stacer boats are made to last generations whilst delivering an easy to handle, affordable and economical vessel.

DEALER NETWORK

Boasting an exceptional network of over 60 dealers, strategically scattered across Australia, a Stacer Dealer is never too far away. Carrying a wealth of expert knowledge, each Stacer dealer is set to make your boat buying process a breeze. Contact your local Stacer dealer at www.stacer.com.au for all your product, or wider marine questions.

ENGINE

Partnered with leading engine manufacturer Mercury, Stacer customers can easily purchase specially factory-configured boat and motor packages from select Stacer dealers – making boat buying simpler than ever before.

TRAILER

A one-stop shop for all your boating needs, Stacer boats come available with a specially factory-fitted trailer – meaning it is perfectly calibrated to your boat before it leaves the factory. Extensively tested, Stacer trailers are guaranteed to stand the test of time – making for the safest and strongest companion for your boat.

NEW BMT PACKAGES.

BASE MODEL

Your entry-level, trusty but no-frills option – set to get you out on the water at the most affordable price possible. Looking for a boat suited to your lifestyle? Option up with a carefully configured Boat Package.

ANGLER'S PACK

Created to deliver an easy one-step solution for keen fisho's, Stacer's Angler's Pack comprises the most popular fishing essentials to help craft the ultimate angling boat. **Features may include:** VHF radio, cutting board and compatible ski pole, burley bucket and more.

ENTERTAINER'S PACK

Making boat buying simpler than ever, Stacer's Entertainer's pack is built for families and friend-groups, featuring the top must-haves to help build the ultimate weekend vessel. **Features may include:** sound system and speakers, premium seating, bimini and envelope, and more.

SKIPPER'S PACK

The Skippers's Pack is inspired by the driver – constructed to deliver a premium navigating experience. **Features may include:** hydraulic steering, tilt steering-wheel and upgraded seating.

SE MODEL

Delivering the best that boating has to offer – the SE Model features every option included in the Angler's, Entertainer's and Skipper's packs. Enjoy added comfort, entertainment and functionality with the most premium Stacer boat on the market.

**Available on select models

ENDLESS TECHNOLOGY

CUTTING EDGE TECHNOLOGY

Stacer boats have transpired following decades of manufacturing expertise, grounded by a team of marine experts who are invested in challenging the industry to redefine boating expectations. Such commitment has resulted in the perfect hull lineup – delivering a coveted soft and dry ride, together with impressive stability at rest. With a hull expertly crafted to suit every waterway, Stacer promises that every Australian boater can experience the best of boating.

HULL TECHNOLOGIES

REVOLUTION HULL

Establishing the height of boating, Stacer's Revolution Hull has become a marine icon and for good reason. The advanced technology, mastered since the brand's inception in 1971, delivers an industry recognised strong and smooth ride, with exceptional open water performance. Experience the Stacer difference with the Revolution Hull, standard across a wide range of models.

REVOLUTION
HULL

STRIKER SERIES

Mastered to predominantly suit inland and protected waterways, the Striker Series Hull makes for an ideal fishing vessel. Wide chines mean stability underway and at rest, whilst the deep entry point achieves a superior, smooth ride and enhanced spray deflection to keep all passengers dry.

STRIKER
SERIES

EVO ADVANCED

Sitting afoot Stacer's sought-after Plate Boat range, the EVO Advanced hull packs a punch, built from strength within to take offshore conditions head-on. The sharp entry point cuts through chop while marine-grade plate bottom sheets deliver powerful open water performance. For a Plate Boat that goes the distance, contact your local Stacer dealer today.

OPEN BOATS

ENDLESS FUN

SEASPRITE

The SeaSprite proves that good things come in small packages. Thanks to its lightweight but sturdy build, it makes for the perfect cartopper, inland tinnie, or tender. Affordable and economic, she's also kind on the wallet.

AVAILABLE SIZES: 319, 379, 399

FEATURES

1. Anchor storage
2. Transom handles
3. Solid corners

RAMPAGE

Built atop the Revolution Hull, the Rampage is designed to traverse a wide range of waterways. Featuring wide beams and deep sides, this popular vessel is safe, plus has vast deck-space and ample casting-deck storage, making it great for fishing and camping ventures.

AVAILABLE SIZES: 429, 499

FEATURES

1. Carpeted floor
2. Casting platform
3. Revolution Hull

SKIMMA

Built for the adventurers, the Skimma is compact and lightweight, perfect for journeys near and far. Zip around Australia's vast inland waterways with up to a 10HP engine, or simply enjoy a casual fish in your backyard.

AVAILABLE SIZES: 309, 319, 359

FEATURES

1. Front deck
2. Transom handles
3. Bench seats

PROLINES

ENDLESS FISHING

PROLINE

The Proline offers a clean-cut range of entry-level, cost effective tinnies that are specifically designed for inland waterways.

AVAILABLE SIZES: 359, 379, 399

FEATURES

1. Bow handle
2. Transom handles
3. Bench seats

PROLINE SE

The Stacer 359 Proline SE is a step up from the original Proline, and a great option for inland boaters. What stands it apart from the original Proline are the higher sides, which make it more ideal for larger dams, lakes and safer for young children.

AVAILABLE SIZES: 409, 429, 449

FEATURES

1. Glove box
2. Safety rails
3. Transducer bracket.

PROLINE ANGLER

Featuring the Striker Series Hull, the Proline Angler delivers wide chines and a deep entry point, making for the perfect fishing vessel. Its open deck provides uninterrupted fishing space while the casting platform offers ample storage capacity.

AVAILABLE SIZES: 409, 429, 449

FEATURES

1. Front casting platform
2. Painted hull
3. Rod holders
4. Striker Series Hull

TERRITORY STRIKER

With the Territory Striker, opportunities are endless. Its lightweight build makes it a perfect travelling companion whilst the deep deadrise provides added safety while fishing. Standard features including a glove box, bench seat and handles can be expected.

AVAILABLE SIZES: 359, 379, 399

FEATURES

1. Glove box
2. Transom handles
3. Solid corners

SF SERIES

ENDLESS TOURNAMENTS

ASSAULT PRO

Revolutionising tournament style fishing, the Assault Pro has a finetuned design which delivers stability, vast fishing real estate, and ample storage. Standard with rod holders, forward and rear casting platforms, a live bait tank, side pockets and more, plus an array of optional extras, it sets the standard for competitive angling boats.

AVAILABLE SIZES: 409, 429, 449, 459, 489, 519

FEATURES

1. Casting platform
2. Live bait tank
3. Extruded side decks

ASSAULT PRO TOURNAMENT

Available in three sizes from 469, the Assault Pro Tournament is a spacious fishing beast. With an extended front and foldable rear casting platform, the Assault Pro Tournament capitalises on free deck space. Option up with hydraulic steering or a deluxe centre rod locker to take your boat to the next level.

AVAILABLE SIZES: 469, 509, 529

FEATURES

1. Casting platform
2. Live well
3. Extruded side decks

OUTLAW

ENDLESS EXPLORING

OUTLAW TS

Take advantage of the Outlaw's wide, spacious deck by removing the console altogether. Enjoy unlimited fishability and enhanced control with a Tiller Steer. Standard front and rear casting platforms, live bait tank, rod holders and more make for a seriously popular fishing boat.

AVAILABLE SIZES: 429, 449, 469

FEATURES

1. Casting platform
2. Live bait tank
3. Extruded side decks

**REVOLUTION
HULL**

OUTLAW SC

Featuring the famous Revolution Hull, the Outlaw performs exceptionally in a range of waterways. The popular side console layout, plus front and rear casting platforms, open up the mid-ship for premium fishability from bow to stern. Ample storage space in the front makes the Outlaw a perfect camping vessel.

AVAILABLE SIZES: 429, 449, 469, 489, 529

FEATURES

1. Casting platform
2. Live bait tank
3. Extruded side decks

**REVOLUTION
HULL**

OUTLAW CC

Enjoy 360-degree fishability with the Outlaw Centre Console. A sought-after layout for many fishos, the Centre Console allows you to track your catch from end to end of your vessel. 3mm bottoms used to create the Revolution Hull delivers a strong, stable boat that's built to handle open conditions.

AVAILABLE SIZES: 449, 469, 489, 529

FEATURES

1. Casting platform
2. Live bait tank
3. Extruded side decks

The Revolution Hull of the Sea Runner is formed with 4mm bottomsides, delivering a topnotch multi-purpose boat. Crafted to handle various waterways including open bays, and designed with the protection of the spacious, comfortable cabin area, the Sea Runner is perfect for avid fishos and families alike.

AVAILABLE SIZES: 519, 539, 589

FEATURES

1. Rod holders,
2. Underfloor & cabin storage
3. Elite pro seats

REVOLUTION
HULL

ENDLESS STRENGTH

PLATE BOATS

Stacer's Plate Boat range delivers the perfect lineup – offering an impressive mix of builds from open console layouts to full-shelter cabins. Over 20 models are specially crafted to meet the needs of every bluewater fisherman.

TOP FIVE REASONS TO BUY STACER

BUILT STRONG

Stacer plate boats are built strong to handle offshore conditions with 5mm plate bottom sheets and featuring the renowned EVO Advance Hull. Our high performing Plate range hull provides a stable and reliable ride every time, exactly what you need when venturing into unpredictable offshore conditions.

With our sharp entry point and 20 degree deadrise our EVO Advance Hull punches through swell with ease and efficiency while our reverse chine and rolled side pressings deflect spray and enhance stability. A true offshore fisherman in blue water conditions must have a deep freeboard and the Ranger series delivers! With up to 750mm across the range you'll appreciate the added safety when out in the elements.

PLATE BOAT FEATURES

1. Sharp Entry - 20 Degree Deadrise for a smooth ride
2. Spray Deflector Pressing
3. Reverse Chine for Stability
4. 5mm plate bottoms across the range
5. 750mm freeboard

SUPER SUMP DRAINAGE SYSTEM

Whether you're using your deck wash or copping a greenie over the bow, Stacer's Super Sump Drainage System expels water quickly and efficiently from the hull.

The rear gutter catches excess water and prevents backwash, keeping your deck surface dry and slip-free. The lower chamber catches water, ready for it to be pumped overboard. The Super Sump is powered by a dedicated Ultima Bilge Pump 1250PH 12V pump (separate to the underfloor bilge) and is able to rid the hull of up to 79 Litres of water per minute.

GOT THE GUTS UNDER THE HOOD

It's what's under the floor that makes our plate range seriously tough!

The entire range is built with an internal sub frame, milk crate structure of longitudinal and latitudinal ribs to reinforce strength and help shape the renowned EVO Advance Hull. Each boat is constructed with eight 6mm thick vertical stringers and 5mm horizontal ribs for maximum strength, and completed with a fully welded checkerplate floor. To provide additional support to the self-draining checkerplate floor a box section floor frame is also fitted.

Our entire Plate Range is created from high tensile marine grade aluminium and cut using the latest CnC router machinery to maximise accuracy. The back bone of our Plate boats is then reinforced with our solid T Keel which allows the side sheet to slot in and be welded across the top and bottom for extreme support. Our super wide rounded side decks are created from 4mm aluminium to create a supportive frame and perfect structure for welded aluminium rod holders.

- | | |
|---|--|
| 1. Milk Crate rib structure: 8 x 6mm Vertical Stringers | 5. Super Wide Side Decks |
| 2. Milk Crate rib structure: 5mm Horizontal Ribs | 6. Roto Moulded Anchorwell for reduced vibration |
| 3. Double Welded "Solid T" Chine and Keel | 7. Self-Draining Checkerplate Floor |
| 4. Box Section Floor Frame for added strength | 8. Super Sump Drainage System |

ENDLESS STABILITY

OCEAN RANGER

SOFT TOP

Designed with the industry renowned EVO Advance Hull, the Ocean Ranger packs a punch. Stable and smooth riding, with a spacious and protected cabin bunk, it's a multi-purpose offshore plate boat. Decked out with a wide range of features, it's ready to take charge of the ocean.

AVAILABLE SIZES: 609, 659, 709, 759

HARD TOP

One of the most popular models in the Stacer Plate Range due to its year-round fishability. Thanks to the completely sealed glass windscreen, tough plate bottoms and underfloor 'milk crate' structure of supportive ribs, the Ocean Ranger Hard Top is built to go the distance.

AVAILABLE SIZES: 609, 659, 709, 759

CENTRE CABIN

A popular choice for those who lap up 360-degree fishability and true long haul fishing trips. Bunk up in the cabin, standard with cushions and option up with an electric toilet. Built with some true grit – with up to 5mm bottoms, a person capacity of up to 7 and horsepower of up to 300, the offshore opportunities are endless.

AVAILABLE SIZES: 589, 609, 659, 709, 759

EXPEDITION

The beast of offshore fishing – the Expedition is the largest model of Stacer's offshore Plate Boats. Enjoy enhanced protection from the elements and during over-nighters with the extended cabin design, plus expansive deck-space with the sheer size of the 759 build.

AVAILABLE SIZES: 759

FEATURES

1. Anchorwell
2. Self-draining treadplate floor
3. Rod holders/rocket launcher
4. Transom door
5. Cutting board
6. Rear ladder
7. Cabin hatch
8. Ocean pro seats

Australian made winches and mooring equipment since 1968

Strong and Reliable
Muir winches are the
Stacer choice

We are proud to announce our partnership with Muir Winches to supply Australian-made, quality drum winches across our range of models. Like us, Muir is an experienced company which has been looking after the Australian boat owner for decades. The Tasmanian-based company supplies equipment to a wide range of vessels around the world, from pleasure boats, to commercial vessels, to superyachts.

The Muir and Stacer research and development teams have collaborated to develop a new, compact drum winch, Muir DW06, designed specifically for our smaller boats. This winch is designed to fit into your anchor locker and provide 55 meters of anchor line capacity. Depending on model, your Stacer can be fitted with the DW06 or DW08, or with the option of the Muir freefall DFF08.
